2021/39 Telephone Kiosk Bookshelves

Council resolved to renovate the kiosk with help from volunteers. The NCS group will renovate the outside of the kiosk. New books have been provided and the council will try to recruit a “village librarian” to curate the books. Cllr AG will advertise on FB.

2021/40 Playing Field & Pocket Park

Playing Field: Purchase and installation of new gates. Quotes were not received in time for the meeting.

Playing Field: Southern boundary hedge is doing well but the grass will need strimming to ensure it doesn't outgrow the hedge. Cllr SC will do the strimming. Council agreed to meet the cost of weedkiller.

Playing Field: Dogs. Mr & Mrs Needham suggested that the school had given permission for dogs to be allowed on the field. They have been advised that this is not the case, and the council will not be revising its position. Dogs are not allowed on the field.

Pocket Park: John Cutler has sought permission to establish wildflowers along the meadow. There would be some remedial/prep work required and JC can donate plants. Mr Warden has confirmed the plan will not interfere with mowing. Council resolved to endorse the plan but does not want to incur costs for this project.

Pocket Park: Cllr SC reported the bin is well used and litter in the PP has dramatically reduced.

2021/41 Football field hire proposals.

Council discussed arrangements for hiring the playing field out to football clubs and discussed the potential problems resulting from the absence of toilet facilities. The council resolved not to hire out the field.

2021/42 Environment (verges/paths/trees)

Bench refurbishment: LGG appointed to refurb benches. Works to begin in coming weeks. Clerk was asked to confirm when this work will begin and ask for a progress report on the pavement siding out work.

Plant a Tree for the Jubilee: Council resolved to buy a mature tree for planting near entrance of Jacks Lane, Chapel Brampton. Council approved costs of £200 plus cost of a commemorative plaque.

Hedges: Council noted that hedges on the Welford Road belonging to the Althorp houses and on Harlestone Road belonging to Tens Cottages need cutting back to maintain full access to the pavement. Other hedges throughout the village are obstructing the footway. Cllr AG will put a polite reminder to residents on the FB page.

Footpaths: Council reviewed legislation relating to establishing new rights of way. It was suggested that there may be an opportunity to establish a right of way on the track leading to Brampton Hill Farm. Cllr WS advised that council would not be able to take any action as the landowner has very clearly marked that this is not a public footpath. The legislation can only be applied where a track is unofficially established and no signs preventing access have been displayed.

2021/43 Planning Applications

Applications Received: Council resolved to respond to planning applications.

Application No: DA/2021/0194

Description: Removal of existing garden shed and construction of new garden shed and replacement of hard surface to front of garage.

Location: The Cottage, Church Lane, Church Brampton, Northamptonshire, NN6 8AT
(Deadline for comments is 28th June, Case Officer is Rob Burton)

Council resolved to make no observations.

WNC/21/00024/WASFUL - Relocation of aggregate recycling uses from Boughton Waste Site (former Boughton Quarry) to the site of Phase 1 Pitsford Quarry at Pitsford Quarry, Harborough Road, Pitsford, NN6 9BB

WNC/21/00023/WASFUL - The extraction of remaining mineral and importation of inert restoration materials to raise the restoration levels within the current working/recycling area at Boughton Recycling and Waste Site, Brampton Lane, Boughton, NN6 8AA.

Applications relating to the quarries were received on 17th June. Council resolved that there were some concerns surrounding these plans and councillors will submit comments to the clerk.

Decision notices received since date of last meeting & pending
